To whom it may concern,

I write in regards to the application for a review of the premises licence at 24-26 lowesmoor worcester WR1 2SG . A notice was served on the premise 4th may 2022 with a notice period of 28 days

I am the licensees for the above premises and I wish for my the matter to be considered with my representation to be taken in to considered when a sub-committee takes place

I have been trading at the premises since 2014 in this time I have never had an issues with regards to anti-social behaviour due to the sale of alcohol I log everything as requested I.e underage refusal log

I also appreciate that I have failed in many ways with regards to the licensing objective “prevention of crime and disorder” and I have now reformed myself my business Reliance is heavily on the sale of alcohol with it providing a large income and I am very concerned that provoking my license will cause my business to Cease trading as I will no longer be able to cover overheads

Mr bell made a visit to my premises on the 3-5-2022 and he checked the shop to make sure there were no counterfeit cigarettes being sold and he was pleased to see that there wasn't. I can ensure you that I've learnt my lesson and I am paying back what I owe with means of a fine and community service

I ask for you to consider all my points above and to take them in to some consideration when you make your final decision

Many thanks
