

PLANNING COMMITTEE

LATE PAPERS

Thursday 23rd June 2022

AGENDA ITEM 9 – 21/00500/FUL

South Street

A new mixed-use development comprising 2no. ground floor commercial (Class E) units and 4no. upper floor apartments.

I am unable to attend the planning meeting to discuss the proposed development in South St, Worcester WR1 2AL by Misters ref 21/00500/FUL due to a family holiday.

I would be grateful if the planning committee could be made aware of my following views about the proposed scheme;

There has been no provision of a turning area or parking area for deliveries and visitors, South Street is a narrow dead end road, it is unrealistic to expect that the proposed 6 units will not have any deliveries or visitors.

All vehicles would have to reverse out, and turn in the Fownes Hotel entrance before joining the busy City Walls Road.

I believe a smaller revised scheme with the provision of a turning and parking area would be more suitable for this plot.

Your sincerely
Anthony Cupper
