6th May 2013

Dear Carl Phillips

I would like to object to Mr Bright, Piccadilly whip applications for street trading licences. On the ground that there are enough traders trading in the streets and from shops in the goods in which the applicant to trade and that the applicant has without reasonable excuse failed to avail themselves to a reasonable extent of a previous street trading licences.

Yours sincerely

Stephen Connelly

Subject: South Quay

Dear Mr Phillips

I am writing to object to the application made by Piccadilly Whip to sell ice-cream via tricycle along South Quay Worcester.

This company has already flouted traffic Laws by regularly parking 2 ice creams vans on the public highway for hours on end in Quay Street, and do not get moved on by traffic enforcement officers, causing problems with deliveries and the noise of constant running diesel engines.

They are targeting the area to make money and have already started to sell ice cream via tricycle, even next door to licensed regulated operators.

The Quay side should be a relaxing pleasant area, and this company is exploiting it for their own ends.

Yours sincerely

Richard Hill
Manager The Quay
South Quay
Worcester.

Carl Phillips

Subject: Application to sell Ice Cream from Tricycle

Carl Phillips,

The above application was brought to my attention today.
I feel one tricycle (Bear's Great Escapes) is sufficient, another would only dilute what limited trade there is. Not only will a second take trade away from the existing but will also have a impact on outlets selling ice cream from shops.

Regards,
Andy Bartlett
