The Licensing Department are in receipt of a Street Trading application from Mr Stephen Connelly (Bears Great Escapes Limited).

The applicant currently benefits from a number of 'mobile' licences to trade in certain areas of Worcester City.

However, this application is to trade from a **static** pitch in the area of the Riverside & Fountains.

Many of you will be aware of the fact that recently 'Piccadilly Whip' applied for a static licence in the same vicinity. However, this application was refused, due to the fact that the applicants wished to provide a catering trailer on the site. The refusal was due to weight restrictions in that area.

Mr Connelly's application is to trade from a static pitch on a **tricycle**.

The application and proposed trading area is attached. Be aware that the applicant is registered with Environmental Health as a Food Business, and this department has sight of the necessary Public Liability Insurance.

Closing date for comments to this application will be **29th June 2015**.

Please be advised that existing traders in that area (both Browns@ the Quay and Piccadilly Whip) will be emailed details of the application for comment, but clearly personal information relating to Mr Connelly will be redacted.

If you require any further assistance, please email wsenquiries@worcsregservices.gov.uk
