10 March 2023

Dear David,

Thank you for your letter of March 2023 post your most recent Council meeting .

Per our telephone conversation I confirm firstly that we have already taken on board feedback regarding the proposed name change and have already announced that we will revert to the name of Worcester Warriors. We understand fully the concerns of the members regarding keeping Worcester in the title and we thank them for their input.

It is clear from watching the stream of the meeting that it would be helpful for us to come and present to the full council to explain the situation we inherited and how our plan to bring Warriors back to the top tiers of English professional rugby has evolved over the last few months.

To this end we would like to take up your kind invitation to make that presentation at the May 25th Council Meeting.

If you can confirm that this works for you, we will await your confirmation of the logistics for the event.

If I can be of any assistance in advance, please do not hesitate to get in touch.

Yours sincerely

Jim O'Toole
