Subject: QUARTER 4 AND ANNUAL PERFORMANCE REPORT FOR 2022/23

1. Recommendation

1.1 That the Policy and Resources Committee notes the Council's quarter 4 and annual performance for 2022/23.

2. Performance Reporting Framework

- 2.1 A suite of Performance Scorecards have been developed providing a one page overview of priority projects, activities and Key Performance Indicators (KPIs) under the functions of each committee.
- 2.2 The Scorecards are supported by a more detailed appendix providing a brief narrative update for projects and activities and a visual representation of PIs in the form of run graphs or charts as applicable. This provides context in terms of progression, trends and seasonal variations to support reporting using RAG assessments (Red, Amber or Green).
- 2.3 The quarter 4 and annual performance report for the Policy and Resources Committee is attached as **Appendix 1**.
- 2.4 The report is set out to show progress for:
- The current priority projects and activities which support the delivery of the Council's City Plan
 - Corporate suite of KPIs
- 2.5 The Scorecard has been refreshed for 2022/23 with projects completed in the last financial year replaced with new projects as previously agreed by this committee.
