Member Support Services

The following table details all services that are available to Members to assist them in carrying out their roles. Each service identifies the service provider, to whom the service is allocated to and the frequency of the service.

The only basis on which Council Officers can lawfully provide support services to Members as detailed in the table below, is to assist in discharging their role as Members of the Council. Support services must therefore only be used on Council business. Support services should never be used for private/personal business or political purposes.

No.	Service	Provider	Allocation	Frequency
